

TOYOLOGY 2

THE SCIENCE OF TOYS

All New Projects!

Glenview Elementary: K-5th Grades After-School Science Program

In these exciting hands-on science classes we will build a variety of toys and use them to demonstrate major scientific concepts such as energy, electricity, light, gravity, motion, friction and magnetism. Each student will construct and take home a science toy in every class. The classes will be taught by the award-winning science educator, Sarah Shaffer and her staff.

Each student will make and take home:

- Motorized Rolling Robot
- Magnetic Shuffleboard
- Mini Marshmallow-Shooting Catapult
- Marble Maze
- Stop-and-Go Bot
- Talking Card
- And more . . .

Last Sarah's Science
after-school program
this year.
