

Kids Into Speaking Spanish

KISS After School Spanish Program  
Glenview Elementary School

KISS After School Program is a theme-based total immersion Spanish program where students will be learning basic vocabulary, ideas and concepts that are fun, entertaining and academic. The students will be exposed to Latin American culture thru songs, dances and games in an environment full of music and movement.

By the end of the class each student will be able to respond to the basic greetings. They will recognize, learn and repeat words carefully selected from a theme-based vocabulary. The students will be exposed to the Spanish alphabet, numbers, and basic colors.
